6. 将成绩单发送到指定邮箱

华中农业大学本科生成绩单
Huazhong Agricultural University Undergraduate Academic Transcript for Undergraduate Student

College: College of Sciences

2020-2021 First semester	2021-2022 Second semester
Course	Course
Basic Physical Education	Ordinary Differential Equations
College English (III)	Numerical Approximation
Advanced Algebra (I)	Probability and Statistics A
Mathematical Analysis (II)	Experiment of Numerical Approximation
Thinking and Approach of Programming	Mathematical Modeling A
Ethics and Law	Fuzzy Mathematics
Military theory	Experiment of Mathematical Modeling A
Instruction and Competency Evaluation for Undergraduates	Mathematical Foundation of Information Security
Military skills	Experiment of Database System Technology
2020-2021 Second semester	2021-2022 First semester
Course	Course
Writing and Communication	Mathematical Modeling B
Psychological Development and Guidance of College Students	Mathematical Modeling C
Geometry	Mathematical Modeling D
C++ Advanced Programming	Mathematical Modeling E
College English (III)	Mathematical Modeling F
Advanced Algebra (II)	Mathematical Modeling G
Situation and Policy Education (I)	Mathematical Modeling H
Outline of Modern Chinese History	Mathematical Modeling I
Experiment of C++ Advanced Programming	Mathematical Modeling J
Mathematical Analysis (III)	Mathematical Modeling K
Integrated Sports (Physical Fitness)	Mathematical Modeling L
2021-2022 First semester	2022-2023 First semester
Course	Course
College English (IV)	Mathematical Modeling M
Data Structure and Algorithms	Mathematical Modeling N
Experiments of Data Structure and Algorithms	Mathematical Modeling O
College Physics Experiment	Mathematical Modeling P
College Physics B	Mathematical Modeling Q
College Mathematics Experiment A	Mathematical Modeling R
Theoretic Mathematics	Mathematical Modeling S
Mathematical Analysis (III)	Mathematical Modeling T
Mathematical Modeling(MOOC)	Mathematical Modeling U
Outward Bound C	Mathematical Modeling V
Fortune Code and Financial Thinking	Mathematical Modeling W
English Speaking, Listening and Creative Thinking	Mathematical Modeling X
Comprehensive Experiment based on Virtual Simulation	Mathematical Modeling Y
